Dear Mr. Burns:

The Utah State Historic Preservation Office has reviewed our cultural resource files for the above requested project area. No known historic properties have been recorded within the project area because no historic properties' surveys have been conducted according to our records. Based on information presented by the application, the USHPO recommends a determination of **No Historic Properties Affected**.

This information is provided on request to assist in identifying historic properties, as specified in UCA 980-8-404. If you have questions, please contact me at (801) 533-3555. My email address is: jdykman@history.state.ut.us
